Property Description	<p>The enceinte of Fort Chambrai overlooking Mgarr harbour consists of an irregular trace of walls linked to the right flank of Notre Dame Bastion. Roughly this consists of a curtain wall with a parapet with six embrasures as well as a projecting spur with two embrasures in its flanks. The thickness of the parapets vary in this area and disappear altogether as the enceintes rounds the cliff face to the south of the plateau on which the fortress stands.</p>
